

AFFF FOAM

Foam fire extinguishers are ideal for locations where both class A fires involving solid materials and class B fires involving flammable liquid risks are likely to be found. The blanketing effect of foam spray gives a rapid knock down which smothers the flames and prevents re-ignition.

Series Features

- Stored pressure extinguisher
- Dielectrical mist spray nozzle - ensures the users safety should the extinguisher be accidentally used on electrical fires
- Kitemarked to BS EN3
- CE approval
- BAFA approved product
- Supplied with wall bracket
- 5 year warranty
