

# UltraFire

## POWDER

Powder fire extinguishers are suitable for use on class A fires involving solid materials, class B fires involving flammable liquids, class C fires involving flammable gases and fires involving electrical equipment. The powder extinguisher provides rapid fire knock down by preventing the chemical reaction of the combustion process.

### Series Features

- Stored pressure extinguisher
- Kitemarked to BS EN3
- CE approval
- BAFE approved product
- Supplied with wall bracket
- 5 year warranty
