

UltraFire

WATER WITH ADDITIVE

Water with additive fire extinguishers have all the same fire fighting capabilities as standard water extinguishers. The additive is specially formulated to increase their performance against class A fires giving them a much higher fire rating to weight ratio.

Series Features

- Stored pressure extinguisher
- Dielectrical mist spray nozzle - ensures the users safety should the extinguisher be accidentally used on electrical fires
- Kitemarked to BS EN3
- CE approval
- BAFe approved product
- Supplied with wall bracket
- 5 year warranty
